

### **IF YOU ARE COMING FROM EXETER DIRECTION ON THE A30**

Take the first signed exit for Okehampton. At the T junction turn right. Travel through the town and after the third set of traffic lights, take the second right, called High Street. At this point, on the left of the main road, a brown Highways' Tourism sign for O'Connors Campers will help you find the turning into High Street. (High Street is no longer the main street in Okehampton, but now a residential road). Travel up High Street, turning right into Old Road, where the road bears left (again indicated by a brown Highways' Tourism sign for O'Connors Campers). Once you are past the last house and out into the countryside, O'Connors Campers can be found after about 500 yards on the right hand side.

---

### **IF YOU ARE COMING FROM CORNWALL ON THE A30**

Take the first signed exit for Okehampton and turn left at the T junction. Travel towards the town and after about 2 to 3 miles you will come to the bottom of a hill at the beginning of the town. Once you are past Chapman's Carpets on the left, turn left at the New Life Church and proceed up High Street. (High Street is no longer the main street in Okehampton, but a residential road.) Turn right into Old Road, where the road bears left (indicated by a brown Highways' Tourism sign for O'Connors Campers). Once you are past the last house and out into the countryside, O'Connors Campers can be found after about 500 yards on the right hand side.

### **IF YOU ARE USING YOUR SAT NAV**

our address is: **Highlands, Old Road, High Street, Okehampton, EX20 1SP** but we have found that some sat navs tend to get a bit lost on the country roads around our workshop. It may be best to follow the brown Highways' Tourism signs once you reach Okehampton's main street or use the directions above.
